Dear Brother Masse,

The members of USW Local 105 working for Arconic Inc. (formerly Alcoa Inc.) in Davenport, Iowa stand in solidarity with our sisters and brothers in Local 9700 who have been unfairly locked out by ABI – controlled by Alcoa – since January 11.

Seniority on the job and decent retirement benefits are fundamental issues that every member of our union deserves and is ready to fight for. We are writing to Alcoa to demand that they end the lockout, return to the bargaining table, and negotiate a fair contract. If they do not, you can count on our support to take the fight to the next level.

In solidarity,

Brad D. Greve
President
