Dear Brother Masse,

The members of USW Local 420-A working for ALCOA in Massena , NY stand in solidarity with our sisters and brothers in Local 9700, who have been unfairly locked out by ABI- controlled by ALCOA since January 11, 2018.

Seniority on the job and decent retirement benefits are fundamental issues that every member of our UNION deserves and is ready to fight for. We are writing to ALCOA to demand that they end this lock out, and return to the bargaining table, and negotiate a fair contract. If they refuse to bargain, you can count on the USW Local 420-A to support our Sisters and Brothers, and take the fight to the next level.

In Solidarity
